PASSIONATE LOVE

As I do,
She do the same,
The same feelings,
Feelings and aroma,
Aroma of love,
Love in kind.

I call her Bestie,
The mother of two
Two who we love,
Brother YU,
And Lerato,
May almighty be with them all.

She promised me,
Not only to love,
But to be a King of her house
She asked numbers of child that I need
I answer “even one”
She Sayed, NO!
I will give you more
Couse you deserve.

I love her,
A real love,
Let me tell her….
“Every time I think of you Doreen,
I feel the intensity of loving you,
Like you could never imagine,
Please Doreen, don’t ever doubt my love for you

Because it is really love.

You’re my soul mate,
My love,
My peace,
You’re my soft place to fall,
My guiding light,
My best friend,
In you I see our happy ever after,
What a love I have found with you Doreen?”
